

AUSTRALIA'S COVID-19 VACCINATION PROGRAM IS UNDERWAY.

COVID-19 vaccines will keep Australia safe and protect our way of life. The people most at risk of serious illness and those most likely to be exposed to the virus in our communities will be vaccinated first, including:

- **Quarantine and border workers**
- **Frontline health care, disability and aged care workers**
- **People living in aged and disability care accommodation**

Vaccination offers the best protection from COVID-19, but it's also important we all continue to remain COVIDSafe.

To find out when it's your turn, visit australia.gov.au or call the National coronavirus and COVID-19 vaccine helpline **1800 020 080**.
