

# FACE MASKS ARE REQUIRED IF YOU HAVE ANY RESPIRATORY SYMPTOMS

**IF YOU HAVE ANY RESPIRATORY  
SYMPTOMS – PLEASE LET US KNOW!**

**For any respiratory symptoms we ask you to please:**

- 1. Complete a Rapid Antigen Test (RAT) within 1 hour of your appointment.**
- 2. Please call on arrival and let us know you are here**
- 3. Please wait in your car or outside. As soon as the doctor is ready, you can go straight into the consult room. This helps keeps patients in the waiting room safe.**

All of our staff are committed to helping patients, so please remember to be kind and courteous. We will not tolerate any aggressive or disrespectful behaviour. Patient safety is our priority.

If in doubt just call us on 9444 3700 we are here to help 😊
